SUMMARY CARE RECORD – DATA SHARING

Summary Care Record National Scheme	If you have a summary care record your health care providers can view your medication, bad reactions to medications and allergy information when treating you in an emergency or when your practice is closed	I do not want to have a Summary Care Record <input type="checkbox"/>
Care.data National Scheme	Care.data aims to make increased use of information from medical records with the intention of improving healthcare via research, public health use and commissioning.	There are 2 levels of opt out, you can opt out of both: I do not want my personal and confidential data to leave the health and social care information centre <input type="checkbox"/> I do not want my personal confidential data to leave the GP Practice <input type="checkbox"/>

Please read the above and make your selection by ticking the box or boxes next to the right statement. Then please fill out the required information below, sign and date the form and return it to reception.
